

- We commit to each share responsibility for creating an environment that is safe for all.
- We commit to pray for our safeguarding leads and those working with children and adults.
- We commit to respect the boundaries that are in place to protect others.
- We commit to support those in our church who have been hurt or abused.
- We commit to provide on-going safeguarding training for all our workers.
- We commit to allow sufficient time and resources to make our recruitment of workers safer.
- We commit to maintaining an open culture where people are encouraged to share concerns.
- We commit to not take offence when challenged about our presence or behaviour.
